

Populating Website Categories

Last Modified on 03/02/2021 5:56 pm GMT

Your BookingsPlus website is fully customisable to ensure it shows off your facilities to their best advantage.

The website categories on your homepage can be customised to ensure they are relevant to your venue and the spaces you have available to view on your website.

Click on the Manage tab > Website Marketing tab and you will see the below...

Venue Management

Website Marketing

Website Blog

Website Categories

Hint: Drag and drop Categories to reorder them.

	Name	
	Conference and Meeting Facilities For Hire	Edit
	Sports Halls & Astro Pitches For Hire	Edit
	Theatre, Dance & Drama Studio For Hire	Edit
	Special Event Halls For Hire	Edit

From here you then have the option to edit your website categories as required, including personalising the text, images and colour. Website spaces (rooms available at your venue) can then be selected to appear within these categories to help people visiting your website to find what they are looking for.

Editing Website Category to Conference and Meeting Facilities For Hire

Description

From small seminars and training events to large corporate conferences, Grange Park School is the ideal venue.

A range of rooms are available from the 400 seater auditorium with stage to an intimate meeting room with soft furnishings or board room furniture. The 104 seater purpose built lecture theatre is an excellent venue for holding a seminar or talk. It has a data projector, digital surround sound and cordless mikes.

Break out rooms, catering and refreshments facilities are available and can be organised to suite your requirements.

Meta title

Conference & Education Facilities - Grange Park School

Meta description

From small seminars and training events to large corporate conferences, Grange Park School is the ideal venue.

The description is used by search engines as the text which appears on the results page underneath the page title. It should be no more than 160 characters long.

Colour (Used on the homepage)

Photographs Hint: Drag and drop Photographs to reorder them.

These should be in landscape format and at least 1040x642 pixels for retina support. Larger images will be resized and cropped to maintain the correct dimensions.
